Outdoor chairs are made from durable materials designed to withstand weather conditions. Typically used in gardens, patios, and balconies, they are both stylish and functional, offering comfort and long-lasting use.

BERJER | BERGERE**17**

Cafe berjer, şık ve rahat bir oturma alanı sunan, genellikle kafe ve restoranlarda kullanılan tek kollu sandalye türüdür. Tasarımı, konfor ve estetiği bir arada sunar.

A cafe armchair is a type of single-arm chair, typically used in cafes and restaurants, offering a stylish and comfortable seating option. Its design combines both comfort and aesthetics.

SEDİR - KOLTUK | SOFA**18-19**

Cafe sedir koltuğu, genellikle kafelerde veya restoranlarda kullanılan, uzun ve rahat oturma alanı sağlayan bir mobilya türüdür. Hem şık hem de konforlu olup, grup oturumları için idealdir.

A cafe bench is a long, comfortable seating option commonly used in cafes or restaurants. It is both stylish and comfortable, ideal for group seating.

MASA AYAKLARI | TABLE LEGS**20-23**

Masa ayakları, masa yapımında kullanılan ve masanın stabilitesini sağlayan önemli parçalardır. Farklı malzemelerden, genellikle ahşap, metal veya plastikten üretilir. Tasarımları, estetik ve işlevsellik açısından değişiklik gösterir.

Table legs are important components used in the construction of tables, providing stability. They are typically made from materials like wood, metal, or plastic. Their designs vary, offering both aesthetic appeal and functionality.

MASA TABLASI | TABLE TOP**24-25**

Dış mekan kompakt masa tablaları, hava koşullarına dayanıklı malzemelerden üretilir ve küçük alanlarda kullanıma uygundur. Mermer ve terrazzo tablalar ise şıklığı ve dayanıklılığı bir arada sunar. Mermer, zarif bir görünüm sağlarken, terrazzo, dayanıklı ve modern bir seçenek olarak dış mekanlarda tercih edilir. Her ikisi de estetik ve fonksiyonellik sağlar.

Outdoor compact table tops are made from weather-resistant materials and are suitable for small spaces. Marble and terrazzo tables offer both elegance and durability. Marble provides a sophisticated look, while terrazzo is a durable and modern option often used in outdoor settings. Both combine aesthetics and functionality.

DAYBED**26**

Zamansız tasarımıyla daybed, oturma ve dinlenme işlevlerini tek bir formda birleştirir. Yüksek konforu ve dayanıklı yapısıyla hem yaşam alanları hem de ticari projeler için ideal bir çözümdür.

With its timeless design, the daybed combines seating and lounging in a single form. Its high comfort and durable structure make it an ideal solution for both residential and commercial spaces.

SUNBED**27**
